

Untreated Seed Statement

To our valued Seed Savers Exchange customer:

Seed Savers Exchange strives to offer as many organic varieties as possible, and hopes to one day only offer organic seed.

All varieties offered for sale are untreated (not coated with fungicides or insecticides), non-GMO varieties.

SSE is also a proud member of The Safe Seed Pledge. You can look at the Council for Responsible Genetics website and see that we are listed. That website is: www.gene-watch.org.

If you have any further questions, please don't hesitate to let us know!

Kind Regards,
Seed Savers Exchange
