

Seed Savers EXCHANGE

Become a 2018 Event Sponsor

Committed to keeping rare heirloom seeds where they belong, in our gardens and on our tables.

Share your brand with a like-minded customer base of gardeners, food enthusiasts, and people who care about our planet.

ABOUT US

Since 1975, Seed Savers Exchange has a grassroots movement to conserve and share thousands of endangered heirloom and open-pollinated varieties. This has been done through not only the ongoing care of our seed bank, but also through events and other programs that connect an international community of gardeners and seed stewards to our food heritage.

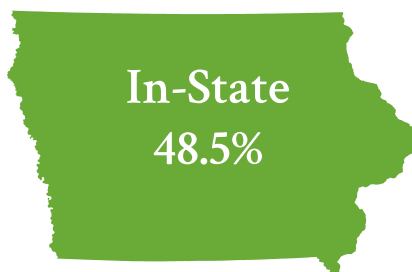

EVENTS AT HERITAGE FARM

More than 12,000 visitors annually visit Seed Savers Exchange. Our seed bank (and a few heritage livestock breeds) are housed at Heritage Farm, our headquarters near Decorah, Iowa. We maintain over eight miles of hiking trails on our 890-acre farm that guide visitors through the rugged topography of the Driftless Region of Northeast Iowa, which includes limestone bluffs, spring-fed trout streams, sweeping ridgeline vistas, grass pastures, prairie, and forest areas, in addition to our display gardens and orchards.

OUR AUDIENCE

Nearly 52% of registered event attendees come from outside of the state of Iowa.

In-State Vs Out-of-State Event Attendees
